The Safe Quality Food Institute delivers consistent, globally recognized food safety and quality certification programs based on sound scientific principles, consistently applied across all industry sectors, and valued by all stakeholders. Each year, more than 750 food safety professionals gather annually at the SQF International Conference to learn the latest food safety and quality global standards and technological advances.

Sponsorship of the 2017 SQF International Conference will afford you the opportunity to position your company as a thought leader and advocate of the food safety industry. By investing in one of these conference partnerships, you will be supporting a conference that is highly valued by industry attendees.

We invite you to join us at this year’s annual conference, as a sponsor or an exhibitor. Through your investment you will gain:

- Access to more than 750 food safety professionals
- Opportunities for your team to interact and build relationship with decision makers
- Brand reputation as a food safety partner and leader
