

Assessment Database Annual Fees (Reliance)

The SQF Institute charges suppliers an annual fee to register a site in the online [SQF Assessment Database](#).

Registration will allow you to:

- Request information and pricing from a licensed Certification Body
- Select or de-select a Certification Body to perform your audit
- Manage corrective actions called for by your audit
- Make your audit results and certification status available to your customers
- Market your facility as an SQF-certified company

The online SQF Assessment Database (Reliance) Registration Fee is based on the gross sales of a supplier.

Classification	Description of Classification	Fee USD
A	Suppliers with a gross sales < \$100,000 USD	\$100
B	Suppliers with a gross sales > \$100,000 USD < \$5 million USD	\$250
C	Suppliers with a gross sales > 5 million USD < 25 million USD	\$350
D	Suppliers with a gross sales > 25 million USD < 50 million USD	\$500
E	Suppliers with a gross sales > 50 million USD	\$600
M	Multi-site Organization	
	Central-site	\$1000
	Each Sub-site	\$25

Notes:

- A Supplier is the site to which the Certificate of Registration applies
- Gross Sales refers to the amount of sales during the previous financial year
- Suppliers must register and pay the fees prior to setting up an audit with an SQF Certification Body
- Multi-site registration must be made through an SQF Certification Body
