

# FSC ROUNDTABLE IDEA EXCHANGES

TUESDAY, OCTOBER 25, 1:30 PM – 2:30 PM

Participate in advance at [www.fmi.cnf.io](http://www.fmi.cnf.io) or on the mobile app

Join fellow food safety professionals in a peer-driven informal discussion on issues that affect your particular food sector category. The roundtable will give you an opportunity to review the top SQF non-conformances in your FSC, exchange best practice ideas and take home actionable solutions to your toughest food safety challenges. Please pick up an FSC sticker at the registration desk which will indicate the room that you need to go to.

To help facilitate the discussion, we suggest you use our Q&A app. Just click on the link at the top of the session description in the mobile app or go to [www.fmi.cnf.io](http://www.fmi.cnf.io) and select the roundtables session. There you'll be able to ask questions or suggest issues that you'd like to discuss with your peers. You'll also have the ability to "upvote" any questions/issues you like so that the facilitator knows which ones are of most importance to the group.
